SUMMARY

Software Developer with 5+ years of experience specializing in scalable web and mobile applications using React, React Native, TypeScript, Kotlin, and Laravel. Proven track record of delivering cross-platform products, optimizing backend APIs, and integrating real-time services like WebSockets and Google Maps.

TECHNICAL SKILLS

- **Frontend & Web:** React.js, Next.js, JavaScript, TypeScript, HTML5, CSS3, Tailwind CSS, Chakra UI
- **Backend & Databases:** PHP, Laravel, REST APIs, WebSockets, MySQL, MongoDB
- **Mobile Development:** React Native, Expo, Kotlin, Android Native, Jetpack Compose
- **Third-Party Integrations:** Firebase Cloud Messaging (FCM), Google Maps API
- **Architecture & Performance:** Component-Driven Architecture, Cross-Browser Compatibility, Legacy Codebase Modernization, State Optimization
- **Tools & Methodologies:** Git, GitHub, JIRA, Agile Development

PROFESSIONAL EXPERIENCE

SOFTWARE DEVELOPER EXECUTIVE

Flixbox Solutions Private Limited | Sept 2025 – Present | Guwahati, Assam

- Build and maintain high-performance web and mobile applications using React, TypeScript, Kotlin, and Laravel.
- Spearhead UI development, complex API integrations, and state management optimization to deliver seamless user experiences.
- Debug legacy codebases and execute performance optimizations, improving application stability and load responsiveness.

ASSOCIATE JUNIOR DEVELOPER

Right Hemisphere | Nov 2021 – Sept 2025 | Guwahati, Assam

- Developed cross-platform mobile and web applications utilizing Next.js, React, React Native, and TypeScript.
- Collaborated closely with cross-functional teams in an Agile environment to build scalable features and reduce bug turnaround time.
- Integrated RESTful APIs and optimized frontend rendering performance, ensuring fluid navigation across Android and iOS devices.

KEY PROJECTS

Sato Video Player - Customizable Video Player & Plugin (https://app.satoplayer.com/)

- **Dashboard Engineering:** Architected and developed the Sato Player dashboard, building intuitive interfaces for custom player configurations and video asset management.
- **Cross-Platform Plugin Ecosystem:** Developed and maintained Sato video player plugins for Canva, Framer, WordPress, and Sanity, expanding platform reach, access, and third-party builder capabilities.
- **Integration & Playback Performance:** Streamlined third-party website builder integrations to simplify video embedding, media delivery, and cross-browser playback consistency.

Skara - No-Code Video Streaming Platform (https://www.skara.app/)

- **Frontend & App Development:** Contributed to core frontend development for a no-code VOD streaming platform, building responsive end-user websites and mobile apps for iOS and Android.
- **UI & Dashboard Workflows:** Enhanced UI components and dashboard workflows, empowering non-technical users to seamlessly launch, customize, and manage their streaming services across web and mobile platforms.

EDUCATION

MASTER OF COMPUTER APPLICATION (MCA)
Rajiv Gandhi University, Doimukh, Arunachal Pradesh | 2018 – 2021
CGPA: 8.43

BACHELOR OF COMPUTER APPLICATION (BCA)
North Lakhimpur College (Autonomous), Assam | 2015 – 2018
CGPA: 7.4
